

Dear Friends,

I hope this letter finds you well.

Here at Nev's Ink, we are proud to support the fight against cancer in Wisconsin and thrilled to host the 9th Annual Bags Tournament to raise funds for the Vince Lombardi Cancer Foundation. Our 2023 tournament raised an astounding \$47,923 and we certainly could not have made that big of an impact without the help of people like you.

We are seeking sponsorships and a variety of product, service, and experience packages from local businesses and thought you might be interested in helping. All donations are tax-deductible and all proceeds raised from the event will benefit the Vince Lombardi Cancer Foundation to fund advancements in cancer research and compassionate care.

If you are interested in sponsoring or donating to this year's event, please complete the donation form so that we can be sure to properly promote your business at this year's event.

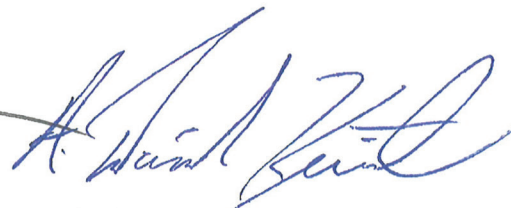

We know that research is our best defense against cancer, and with your support, not only will we showcase your brand with Lombardi's leadership and legacy, we can continue to further discoveries that improve the ways we prevent, detect, diagnose and treat cancer, ultimately transforming and revolutionizing patient care.

Thank you again for your investment in the future of cancer care!

Sincerely,

Gary Nevermann
President, Nev's Ink

David Kriete
President, Vince Lombardi Cancer Foundation

The Vince Lombardi Cancer Foundation is a 501©3 Foundation and all donations are eligible for a tax receipt.
